Subject: Example/Test Case Exemptions

Hi Everyone,

At our meeting last week, we agreed to get together in person for EPA and the Water Board to provide feedback on an example/test case exemption package that DOGGR would be providing at the end of this week. I believe our proposed date and time for this in-person meeting was Oct 31st at 1pm. Although we did not specify location, I'm now wondering if traveling on Halloween/Friday afternoon will be a good idea regardless of location. Is it not workable for folks to meet in the morning on Oct 31st, preferably in SF? And if not, would it be possible to push this meeting out to Monday/Tuesday of the following week (Nov. 3rd or 4th)? Let me know.

Thanks,

David
